Performance Recognition Certifications/Memberships

ISO 14001 Certificate of Registration

Certified on Sep. 21, 2004

Presented to: City of Eugene Wastewater Division

Certified by: NSF International Strategic Registrations, Ltd.

ISO 14001 registration certifies that the Environmental Management System of the City of Eugene Wastewater Division for municipal wastewater treatment has been assessed by NSF-ISR and found to be in conformance with the ISO 14001 international standard. ISO 14001 specifies requirements for an environmental management system to enable an organization to develop and implement a policy and objectives which take into account legal requirements and other requirements to which the organization subscribes, and information about significant environmental aspects.

APWA Accreditation

Certified Since July 27, 2004

Presented to: City of Eugene/Public Works Department

Certification in recognition of conformance to the recommended management practices established by the Accreditation Council of the American Public Works Association.
